

ALDERSGATE

LONDON EC1

INTRODUCTION

Welcome to the next chapter of this iconic building: newly refurbished offices perfectly positioned where two prime neighbourhoods intersect.

Located between Farringdon and the City, 200 Aldersgate offers the best of both worlds without compromise.

WELCOME

Be a part of the next exciting chapter at 200 Aldersgate

200 Aldersgate benefits from its proximity to St Paul's and the City of London, as well as the vibrant culture of Farringdon, Clerkenwell, and Shoreditch. The recent refurbishment of the reception areas and business lounge enhances this dynamic environment, creating a welcoming and stylish space that reflects modern professionalism. Here, creative strategy and business acumen find their natural home, fostering collaboration and innovation among our guests and clients.

The Business Lounge

A LOUNGE FIT FOR BUSINESS

As well as the two triple-height receptions, this first floor open space truly welcomes both lounging and business

It's a place where unscheduled catchups lead to big ideas, and guests and clients can enjoy the atmosphere too. With natural light enhancing the ambience, the lounge is one of the largest in the city, furnished to reflect a better way of doing business. Additionally, a café will offer all-day food and beverage services, and it will also be available for hire for private events, providing a versatile space for gatherings of any kind.

The office reimagined,
where there are spaces
tailored for focus and
those made for relaxation.

ENVIRONMENTS FOR OPEN MINDS

Sometimes we need space to think, sometimes we need the bustle of business to stimulate solutions. At 200 Aldersgate, the café space doesn't just offer food for thought, but keeps you caffeinated and hydrated, while booths can also offer an alternative environment for small group meetings.
